ARCHIVES OF DISEASE IN CHILDHOOD

The Journal of the British Paediatric Association

- Annotation** F73 Percutaneous drug absorption and administration *Imti Choonara*
- Original articles**
- F75 Neonatal meningitis in England and Wales: a review of routine national data
Mary B Synnott, Dale L Morse, Susan M Hall
- F81 Development of fetal hearing *Peter G Hepper, B Sara Shahidullah*
- F88 Pathological complications of non-survivors of newborn extracorporeal membrane oxygenation
Margaret J Evans, Pat A McKeever, G A Pearson, et al
- F93 Predictive value of umbilical artery pH in preterm infants
Philip J Beeby, Elizabeth J Elliott, David J Henderson-Smart, et al
- F97 Prognostic value of continuous electroencephographic recording in full term infants with hypoxic ischaemic encephalopathy
D Wertheim, E Mercuri, J C Faundez, et al
- F103 Cerebral Doppler and misrepresentation of flow changes
Marianne Thoresen, Kirsti Haaland, Petter Andreas Steen
- F107 Hypocarbica and cystic periventricular leukomalacia in premature infants
Shinji Fujimoto, Hajime Togari, Nobuyuki Yamaguchi, et al
- F111 Accuracy of prenatal diagnosis of congenital cystic adenomatoid malformation
M McCullagh, I MacConnachie, D Garvie, et al
- F114 Surfactant phosphatidylcholine composition during dexamethasone treatment in chronic lung disease
M R Ashton, A D Postle, D E Smith, et al
- F118 Left ventricular preload reserve in preterm infants with patent ductus arteriosus
Yasushi Takahashi, Kenji Harada, Akira Ishida, et al
- F122 Percutaneous lignocaine absorption in newborn infants
D A Barrett, N Rutter
- F125 Neonatal aortic arch thrombosis
D J Evans, B L Pizer, N E Moghal, et al
- F128 Erythromycin in neonatal postoperative intestinal dysmotility
D E Simkiss, I P Adams, U Myrdal, et al
- Current topics**
- F130 Systemic fungal infections in neonates
P C Ng
- F136 Gastric ontogeny: clinical implications
Eric J Kelly, Simon J Newell
- Personal practice**
- F142 Withdrawal of neonatal intensive care in the home
J M Hawdon, S Williams, A M Weindling
Commentary—*P R F Dear*
- Perinatal lessons from the past**
- F145 Dr Grantly Dick-Read (1890–1959) of Norfolk and natural childbirth
Peter M Dunn
- Letters to the editor** F147
